1. Chapter 1

Worry not, I'm still working on SURVIVORS just got this idea and wanted to started it as well, this is based on the episode "No Country For Old Mentors" but I will change the outcomeâ€¦ read to find out...

Phoebe POV

I can't stop this thingâ€¦ it's going too fastâ€¦ God why did I ditched Dadâ€¦ pleaseâ€¦ I need to control thisâ€¦ oh noâ€¦

The 17 year old just closed her eyes and held to the bike as she felt the crash against the barrier and then the free fallâ€¦

Hank POV

I saw her going against the barrierâ€¦ I flew as fast as I couldâ€¦ but I never reached herâ€¦ I froze as I saw the explosion on the bottom of the pit, all I could find was pieces of her cape and some shreds of her uniformâ€¦ it was there before me but I didn't wanted to believe itâ€¦ I lost my babyâ€¦ I couldn't save herâ€¦

Max POV

It was my faultâ€¦ in my desire to get the superbike I killed Phoebeâ€¦ I killed my sisterâ€¦ this can't be trueâ€¦ I just ran into my lairâ€¦ I could hear mom sobbing in the living room and Nora slamming the door of her room.

-What happened? - asked Dr. Colosso

-Iâ€¦ I never meant for this to happenâ€¦ Iâ€¦ just wanted the motorcycleâ€¦

-Maximus what did you do?

The rabbit saw the tear eyed face of his human friend

-I killed her colossusâ€¦ I killed Phoebeâ€¦

Nora POV

It had to be a lieâ€¦ Phoebe couldn't have diedâ€¦ not my older sisterâ€¦ pleaseâ€¦

-Noraâ€¦ it's me Billy I

-GO AWAY! JUST GO AWAY!

Billy POV

I sat against the door, I could hear Nora sobbing in our roomâ€¦ I have tears running down my cheeksâ€¦ Dad said not to tell Chloe anythingâ€¦ Phoebe please come backâ€¦

Cherry POV

I'm just holding to Barbâ€¦ tonightâ€¦ tonight we were going to bake a cakeâ€¦ and watch a movieâ€¦ and nowâ€¦ it can't beâ€¦ it is unfairâ€¦ Phoebeâ€¦

Barb POV

I have to be strong for everyoneâ€¦ but inside I'm destroyedâ€¦ my baby girlâ€¦ how many times I thought about the day you will run to me to show me your engagement ringâ€¦ to see you walk the aisle to get marriedâ€¦ to hear you tell me I'm going to be a grandmaâ€¦ and nowâ€¦ why did this had to happen?

Hiddenville Central Hospital.

A roaring siren that fades away as an ambulance rides into the emergency entrance, there, medics run to unload a severely injured body, those on the ambulance have grim expressions on their faces.

-We lost her twice, she's badly hurt and has burns in most of her body - a paramedic said

-What happened to her? - asked a doctor

-We don't know, she was found by a passerby near the valley - replied the paramedic

As they rolled her in she coughed blood.

-Come on baby don't quit on me, we're going to save youâ€¦

Two hours laterâ€¦

-Doctor what's the name of the girl that just got into ICU*?

-There was no ID in her and she's in a deep coma, we'll have to wait until she wakes upâ€¦ if she ever does. - the Doctor replied with sadness in his face

The nurse walked in and passed her hand on the bruised faced of the teenager.

-You'll be fine, you'll see.

2. Chapter 2

Max POV

It's been two months sinceâ€¦ many things have changedâ€¦ Nora moved to Phoebe's room and started to train like I never saw her before, in less than three weeks she became deadly accurate with her eye lasers, which somehow scared me. Billy became silent and rarely talks with anyone. I feel like I have to tell them the truth butâ€¦ I don't knowâ€¦

-Colossoâ€¦

-Yes?

-Should I tell them the truth?

-You mean that it was you who killed Phoebe trying to steal the superbike?

-I told you it wasn't what I wantedâ€¦ I just wanted the bike not to kill herâ€¦

Nora POV

I moved to Phoebe's roomâ€¦ everyone asked me what I told to the empty coffin we had on the service we had for her two months agoâ€¦ wellâ€¦ what I told her was that I was going make her proud, that I was going to train super hard to become the best super heroin in Hiddenville. I think Dad knows that I start training at 4am and I keep on it until midnightâ€¦ my eyes hurt so much that I have to use a whole bottle of eye drops everyday to feel betterâ€¦ but I'll do it for Phoebeâ€¦ and for Chloeâ€¦

-Nora? - it was Billy

-WHAT!?

-Iâ€¦ made you a sandwichâ€¦

-I'm not hungry.

-It's melted cheese with bacon

-I SAID I'M NOT HUNGRY!

-Nora? NORA?

I woke up in the couch, Mom and Dad were there as well as our doctor from Metroburg.

-She woke up! -Billy announced

-How do you feel? - the doctor asked

-better!

-Nora, Doctor Lavendish says you have been over training and probably not eating well.

-I'm sorry!

I tried to sit but mom held me back, I could see she had cried! had she thought that I!

-Rest honey, I'll bring you a glass of milk.

-Billy?

He knelt beside me

-Yeah?

-How long!

-Since yesterday! Chloe teleported me into your room so I could open the door!

-I'm sorry! I was hungry!

-Then why did you

-I want to be the best I can Billy! I need to be strong!

I took a sip of the milk mom gave me and then I began to feel sleepy!

Billy POV

-MOM!

-It's OK! Doctor Lavendish says that Nora needs to rest so I put a sedative in the milk, she'll be fine by morning.

Max POV

I was glad that Phoebe was OK! I don't know why I never noticed what she was doing, Colosso said she had been doing all that stuff almost since we "buried" Phoebe! what neither of us knew was that she was eating less, just once a day, not knowing that using her powers also required energy from her body.

-So, what's next for you? I haven't seen you do much lately - Colosso asked

-I don't want to do anythingâ€¦| it's just wrongâ€¦|

-Max?

I saw Chloe pop right in front of me.

-Yeah?

-When will Phoebe come back from her school trip? I saw Cherry here yesterday talking with mom and you said she was with her.

The last person I would have wanted to lie to was Chloe, but Dad was very clear when he said that under no circumstance she had to know that Phoebe was dead.

-Sheâ€¦| she's doing something very important and it will take sometime for her to come back.

-I want to teleport to her

-Mom will be very mad if you do, let's just be patient OK?

-okâ€¦|

I dropped on my bed, I felt miserable enough as it is to now lie blatantly to a six year oldâ€¦|

-You know she has the right to be told the truth right?

-Colosso

-One day she will find out and she will hate her family for not telling her.

-I can't tell her, I don't have the courage OK?

Hiddenville hospital

The nurse in charge of the ICU glares at the screens that show the status of all the patients, especially those in a coma, the screens show blood pressure, heart beating, blood temperature.

-I better go get some coffeeâ€¦| it's going to be a loong night.

A few moments later she came back, she had just had the first sip of her coffee when a siren began to sound and a screen showed no heart activity on one of the patients, following protocol she pressed the emergency call button to get a Doctor and other nurses in, what she didn't expect was what she found on the bed previously occupied by the mysterious 17 year old girl.

-OK, get me the defibrillator pads and

-Doctorâ€¦| she's gone - the nurse said

-WHAT? Who called

-No, she's gone from the bed, she woke up and ran awayâ€|
